

Prohibited items

It is absolutely forbidden under any circumstances to carry items that are prohibited by legislation or regulation in either the country of origin, transshipment or destination.

There are certain items that, whilst legal are not acceptable for carriage to any international destinations unless special arrangements and agreements have been made.

Examples of such items are:

- Money, bonds, negotiable instruments
- Human or animal parts
- Precious metals or stones
- Weapons or firearms (or part of)
- Live animals or insects
- Art and antiques
- Explosives including ammunition
- Pornography
- Illegal drugs
