

TNT privacy statement

This privacy policy is designed to inform you about TNT practices regarding collection, use, disclosure and storage of personal information (as defined below) that you may provide to us either directly or via this website.

Please be sure to read this entire privacy policy before using or submitting information to this website. The current website is controlled by TNT Express International BV, with its registered office in Amsterdam, the Netherlands and is governed by Dutch law.

1. This privacy policy sets forth our policy regarding personal information collected by TNT through the website. As our core business is providing express services, this privacy policy applies to our company and this website.

2. Examples of customer information that we collect include names, information on your shipment, addresses, e-mail addresses and telephone numbers. Some of the information collected by TNT is data which relates to an identifiable person.

3. You can use this website without providing personal information to TNT. However, in order to receive certain services, you must provide your personal information to TNT. TNT collects the above personal information through this website, e-mail, fax, or personal contact.

4. TNT will/may collect the customer information including, but not limited to, some or all of your personal information listed below:

8.As a data subject, customers may request (i) access to their personal information, (ii) correction or deletion of personal information, and (iii) suspension of processing of personal information.

In the case of such requests, we will verify whether the requester is the principal or a legitimate agent. We may refuse the above request if there are reasons prescribed by law or justifiable reasons equivalent thereto.

It is our policy to take all necessary steps to ensure that all your personal information held by us is processed fairly and lawfully. We will take all necessary steps to implement and maintain this privacy policy. All our employees and data processors that have access to Personal Information are obliged to respect the confidentiality of your personal information.

9. You can use our website without leaving any personal information. However, by keeping a record of your IP address information, we can know information such as the time you use our website.

10. The personal information we obtain is provided solely to enable us to provide services to our customers. For this purpose, personal information will not be retained longer than the period prescribed by law.

11. We may request additional information from you. If so, we will specify the purpose and you can provide further information if you wish.

12. As a result of your use of our website, cookie files may be stored on your computer. We provide cookie information to ensure technical convenience for your use of our website. These cookies are only related to your use of the TNT website and do not affect other third parties. Most computer settings automatically accept cookies. However, if you do not wish to receive cookies, you can

update your Internet browser specifications. If you do not use cookies, it may not be as convenient as when you use cookies.

13. We will monitor the laws and provisions in each country regarding the use of personal information by third parties such as suppliers, contractors or individuals.

14. From time to time, we may telephone, fax, email or post you with our offers or information that we believe may be of interest to you. If you do not wish to make this provision, please contact the TNT office in your country.

15. This site contains links to other sites over which we do not control. We have no responsibility for the content and privacy practices of such linked websites (except Federal Express websites), and this privacy policy does not apply to such sites. We advise our customers to carefully review the privacy provisions applicable to such websites.

16. We may obtain your information from each country TNT. We will contact you within 10 days of your request and, if there is a delay, we will tell you why.

17. If you believe that the information we are holding on you is incorrect or needs to be updated, or if you would like your information to be deleted, please contact your nearest TNT. At that time, we may ask for additional information to verify your identity.

18. We consider our customers' information to be a valuable asset. If we transfer or sell any portion of our business to a third party, your information may also be transferred or sold.

19. In principle, TNT destroys the personal information without delay when the purpose of processing personal information has been achieved.

After achieving the purpose of processing, customer personal information is transferred to a separate database (separate documents in the case of paper) and stored for a certain period of time or immediately destroyed in accordance with internal policies and other relevant laws. At this time, personal information transferred to the database will not be used for any other purpose except as required by law.

Among customer personal information, information in the form of electronic files is destroyed using technical methods that cannot reproduce the records, and personal information printed on paper is destroyed by shredding or incineration.

20. In order to ensure the safety of personal information, TNT takes (i) administrative protection measures such as establishing and implementing an internal management plan and regular personal information protection training for employees in accordance with relevant laws and regulations such as Article 29 of the Personal Information Protection Act, (ii) personal information protection measures, and (ii) personal information protection measures. (iii) technical protection measures such as management of access rights to processing systems, installation of access control systems, encryption of unique identification information, etc., and installation of security programs; (iii) physical protection measures such as access control to personal information storage locations such as computer rooms and data storage rooms; I'm drunk.

21. TNT is responsible for the overall management of personal information processing and has designated a personal information protection manager as follows to handle complaints and provide relief for damage from information subjects related to personal information processing.

▶ Personal information protection officer

Name: Kim Yu-don

Position: Director

Contact: 02-330-5880, yu-don.kim@fedex.com

※ The above contact information may be connected to the personal information protection department.

▶ Personal information protection department

Department Name: Customer Service Department

Contact person: Jinwoo Park

Contact: 02-330-4884 / jin-woo.park@fedex.com

Customers can inquire about all personal information protection-related inquiries, complaint handling, damage relief, etc. that arise while using TNT's services to the personal information protection manager and responsible department. TNT will respond and process your inquiries without delay.

22. If there are changes to TNT's privacy policy, we will notify you in a timely manner through this website of the changes and when they will be implemented.
