Special Services... there's more to TNT

flexibility for your business

When minutes and hours count rather than days, TNT offers a range of time critical services guaranteed to be the fastest possible.

If your requirements are something a little out of the ordinary, TNT Special Services will provide the highest levels of quality, reliability and customer care because we work with you to understand your business.

react faster with Time Critical Services

With our range of flexible national and international delivery options we provide the fastest, most secure on-demand delivery services – **whatever, whenever and wherever you need to deliver.**

Immediate response

TNT Time Critical Services offer the quickest and most flexible air and road solutions for shipments to any destination worldwide. Our national and international networks link the key areas of world trade serving more than 200 countries.

Utilising all modes of transport at our disposal, from a motorcycle to an aircraft, your shipment will be collected immediately and delivered using the fastest and most direct route.

We can offer either a premium **Dedicated Express** transport option or a **Special Express** cost effective shared system utilising our TNT or partner networks with customised collection and delivery.

For those shipments when urgency is measured in minutes and hours our round the clock on demand service can collect and deliver the same day.

TNT Time Critical Services can provide a tailored pick-up and delivery solution for all types of loads. There are no limitations to the size or weight of your shipment and all large, heavy, or unusual loads can be handled.

Combine our Time Critical Services with our Special Handling expertise for the most safe and secure service in the world. (See our separate **Special Handling Services** brochure for more details)

Your delivery will be tracked throughout the course of its journey and proof of delivery will be available. GPS tracking service is also available on request.
