

DG Approved Countries

Scope: the European Air Network (EAN) and the European Road Network (ERN) including PUD and feeders.

The table below summarizes whether Dangerous Goods services can be offered to and from a country and if these services can be provided on the air network, road network or both. If there are exceptions to the general rule, these are mentioned in the last column headed “RESTRICTIONS / NOTES”.

Changes to the previous version of this document are marked in yellow.

TNT Express does not offer any Dangerous Goods services in countries that are not listed below. In those countries all Dangerous Goods must be shipped as Special Service.

Dangerous Goods shipments to **Islands** that are part of an approved country must be shipped through **Special Services**.
