

TNT CUSTOMS CLEARANCE OF SAMPLES FOR CERTIFICATION

For imported low-value goods with invoice value
of EUR 200 max*

DECLARATION AND RELEASE OF LOW-VALUE EXPRESS CARGO

is performed under a simplified procedure, using express cargo goods declaration
(hereinafter ECGD).

At your request, we will provide an ECGD statement in the form of a [confirmation letter](#) from TNT with the information on the imported goods listed in the invoice, so that the confirmation of customs clearance could be submitted to the certification body.

THE FOLLOWING INFORMATION MUST BE INCLUDED IN THE INVOICE

PURPOSE OF THE CARGO

Samples for certification

OR

Samples for conformity assessment

DOCUMENT NUMBER AND DATE

Contract with certification body /
testing laboratory
_____ dd _____.

OR

Information letter from certification body /
testing laboratory
_____ dd _____.

Please note that the sender should attach copies of the relevant documents to the invoice with the shipment so that we could provide this information to the customs authorities.

INDIVIDUAL CUSTOMS CLEARANCE

In addition to the customs clearance using the ECGD, the cost of which is included in the TNT shipment fee, individual customs clearance can be performed for an extra fee in accordance with the current TNT tariffs, using a corresponding request or a goods declaration. To do this, a contract for customs clearance services should be signed with TNT. For this purpose, please indicate in the invoice "For individual customs clearance in Russia".

* Pursuant to Article 136, Clause 2 of the Customs Code of the EEC, goods imported to a single consignee from a single consignor under a single shipment document, with the value not exceeding an equivalent of EUR 200, excluding the carriage cost.
