We remain responsible for complying with these terms and conditions despite any subcontracting.

3. THIRD PARTIES

Anyone we subcontract may use the same rights as us in connection with your shipment. Only our authorised officers may agree to a variation of these terms and conditions in writing. 4. SCOPE OF THE CONTRACT

Even if the carriage of the shipment forms part of another type of contract between you and us, these terms and conditions apply and will prevail over such contract unless otherwise agreed between you and us in writing.

5.2 We may at our discretion accept some dangerous goods for carriage, or for the performance of other services, in some countries if you have been accorded the status of an approved customer and this must be given by us in writing before your shipment can be accepted. Your dangerous goods will only be accepted if they comply with the applicable regulations, codes and technical instructions (as referred to in condition 5.1) and our requirements. Details of our requirements together with the procedure for applying for approved customer status are available from our nearest office and a dangerous goods surcharge will be invoiced to you upon acceptance of your shipment.

5.3 Whether or not you have told us that a shipment comprises dangerous goods you agree that if we consider on reasonable grounds that the shipment may cause injury or damage, we may do anything appropriate to minimize or avoid such injury or damage, including disposing of or destroying such

dangerous goods, at your cost unless our actions were required due to our negligence. We will not be liable to you for any loss or damage you may incur by reason of our actions under this condition.

5.4 You must ensure and you hereby certify by completing our consignment note or tendering a shipment to us that your shipment does not contain a prohibited article as specified in ICAO Annex 17 or other national or international regulations that govern aviation security. You must give us a full description of the contents of the shipment on the consignment note and other accompanying document, and your responsibilities and liabilities are not extinguished by providing this information.

6. RIGHT OF INSPECTION AND IDENTIFICATION REQUIREMENTS

6.1 You agree that we or any governmental authority including customs and security may open and inspect your shipment at any time and take any action we consider necessary in relation to a shipment if we need to verify the condition or nature of the shipment, the ownership or destination of the shipment or if we consider the shipment may contain prohibited items or dangerous goods.

6.2 We may, at our sole discretion, require you and/or the sender of the shipment (where you are not the shipper or consignee) to provide their government-issued photo identification prior to tendering a shipment to us.

7. CALCULATION OF TRANSIT TIMES AND ROUTING OF SHIPMENTS

Weekend days, public holidays, bank holidays, delays caused by customs, delays attributable to compliance with mandatory local security requirements or other events beyond our control are not included when we quote door to door delivery times in our published literature. The route and the method by which we transport your shipment shall be at our sole discretion.

8. CUSTOMS CLEARANCE

8.1 You hereby appoint us as your agent solely for the purpose of clearing and entering the shipment through customs. If we subcontract this work you hereby certify that we are the consignee for the purpose of designating a customs broker to perform customs clearances and entries. If any customs authority requires additional documentation for the purpose of confirming the import/export declaration or our customs clearance status it is your responsibility to provide the required documentation at your expense.

8.2 You certify that all statements and information you provide relating to the exportation and importation of the shipment will be true and correct. You acknowledge that in the event that you make untrue or fraudulent statements about the shipment or any of its contents you risk a civil claim and/or criminal prosecution the penalties for which include forfeiture and sale of your shipment. To the extent that we may voluntarily assist you in completing the required customs and other formalities such assistance will be rendered at your sole risk. You agree to indemnify us and hold us harmless from any claims that may be brought against us arising from the information you provide to us and any costs we will incur regarding this, and pay any administration fee we may charge you for providing the services described in this condition.

8.3 Any customs duties, taxes (including but not limited to VAT or goods and services tax if applicable), penalties, storage charges or other expenses we incur as a result of the actions of customs or other governmental authorities or your failure and/or the receiver's failure to provide proper documentation and/or to obtain the required licence or permit will be charged to you or the receiver of the shipment. In the event that we decide to charge the receiver and the receiver refuses to pay the incurred charges you agree to pay them to us together with our fee for the administration involved as well as any extra costs we will incur. Upon our first request you will provide a proper guarantee for any of the duties, taxes, penalties, storage charges or any other expenses set out in this condition.

8.4 We will endeavour to expedite all customs clearance formalities for your shipment but are not liable for any delays, losses or damage caused by interference from customs officers or other governmental authorities.

9. INCORRECT ADDRESS AND P.O. BOX NUMBERS

If we are unable to deliver a shipment because of an incorrect address then additional charges may apply if the address to which we deliver the shipment is different to the one shown on the consignment note or the label affixed to your shipment.

Deliveries to post office box numbers are not accepted.

10. UNDELIVERABLE AND REJECTED SHIPMENTS

10.1 If the address for delivery is unattended and you or the receiver of the shipment have given us a written 'authority to leave' then we may leave the shipment at the unattended address and delivery will be deemed to have occurred in accordance with these terms and conditions. You hereby agree to indemnify us against and hold us harmless from all claims by any party and from all loss or costs, of whatsoever nature, which we incur as a consequence of the shipment being left in accordance with such 'authority to leave'.

10.2 Where we are unable to complete the delivery of a shipment for whatever reason you agree that we may, at our discretion, either:

- attempt a second delivery; or
- deliver the shipment to a Collection Location for collection by the receiver and we will leave a notice at the receiver's address stating that delivery has been attempted and the status of the shipment.

10.3 If delivery has not been made after a second attempt by us or the receiver refuses to accept delivery we will try to contact you and agree the appropriate next action. You agree to pay us any reasonable costs we incur in forwarding, disposing or storage of or returning the shipment and our charges (if any) for making a delivery to a Collection Location, a second delivery or more delivery attempts and for the agreed appropriate next action.

10.4 The Collection Terms and Conditions form part of and are incorporated into these terms and conditions. If we deliver a shipment to a Collection Location, you agree that the applicable Collection Terms and Conditions will apply and that delivery will be deemed to have occurred in accordance with these terms and conditions.

10.5 You give us authority to dispose of the shipment (or any part thereof) in accordance with our disposals policy which is available at www.tnt.com.au.

11. YOUR OBLIGATIONS

You warrant, represent and guarantee to us that:

- the contents of the shipment (including but not limited to providing a full and accurate description of any dangerous goods, weight, cubic volume and number of items) have been properly described on our consignment note and otherwise notified to us and (where applicable) on the 'sender's declaration for dangerous goods'. You agree that where you do not declare the cubic volume of the shipment we may check the cubic volume or apply an average cubic volume to the shipment in accordance with condition 19.4 below;
- the contents of the shipment have been correctly labelled and the label or labels have been securely fixed by you in a prominent position on the outer surface of the shipment that can be clearly seen by us;
- the consignee's contact details have been fully, accurately and legibly entered on our consignment note on an address label securely fixed by you to a prominent position on the outer surface of the shipment that can be clearly seen by us;

- you will provide any special equipment we may need to load or unload the shipment on or off our vehicles;
- you have securely fixed a heavy weight label in a prominent position on the outer surface of the shipment that can be clearly seen by us for any item weighing 30 kilograms or more;
- the contents of the shipment are not ones restricted by IATA, ICAO, IMDG or ADR and are not prohibited items, and neither you nor the consignee is a person or organisation with whom we or you may not legally trade under any applicable laws or regulations;
- when you have asked us to charge the receiver or a third party and the receiver or third party does not pay us you will promptly settle our invoice together with an administration fee in full within 7 days of us sending you the invoice;
- all applicable laws and regulations have been complied with;
- you have included in the shipment the correct commercial invoice related to the shipment (mentioning correct 'bill to' address with applicable VAT or GST number, correct and clear description of the commodity, and the first 6 digits of the Harmonised System (HS) code);
- that you have taken all reasonable precautions to comply with all conventions, directives and legislation relating to the protection of personal data including if practicable encryption of the personal data to ensure the safety of the personal data in the event of loss or misdelivery of a shipment;
- the value of any international shipment does not exceed \$25,000;
- you alone own the shipment, or if there are other owners you act as their agent and they agree to the handling, transport and storage of the shipment in accordance with and agree to be bound by these terms and conditions;
- the services that you have requested and that we are providing under these terms and conditions are being acquired by you and any other person who has an interest in the shipment, including without limitation owners of the shipment, for the purposes of your and their business, trade, profession or occupation (and not for personal use).

You agree to indemnify us and hold us harmless from any loss, liabilities and damages we may suffer or any costs, damages or expenses, including legal costs, we incur either to you or to anyone else:

- arising out of you being in breach of any of your obligations, warranties, representations and guarantees set out in these terms and conditions, even if we inadvertently accept a shipment that contravenes any of your obligations;
- in connection with a claim made by any other person who has an interest in the shipment except to the extent the claim relates to liability for death or personal injury of any person, or for loss or damage to any tangible property other than the shipment itself, caused by our negligence.

12. EXTENT OF OUR LIABILITY

12.1 Subject to condition 13 below, we limit our liability for any loss, damage or delay of your shipment or any part of it arising from the international carriage of a shipment as follows:

- If the carriage of your shipment is solely or partly by air and involves an ultimate destination or a stop in a country other than the country of departure the Warsaw Convention (1929), or the Warsaw Convention as amended by the Hague Protocol (1955) and/or Montreal Protocol No. 4 (1975), or the Montreal Convention (1999), whichever is compulsorily applicable, will apply. These international treaties govern and limit our liability for loss, damage or delay to your shipment to 19 special drawing rights per kilo.
- If we carry your shipment by road within, to or from a country that is a party to the convention on the contract for the international carriage of goods by road 1956 (CMR) our liability for loss or damage to your shipment shall be governed by the CMR and thus limited to 8.33 special drawing rights per kilo. In the case of delay where you can show to us you have suffered loss our liability is limited to refunding to you the charge you paid us for carriage in respect of that shipment or the part which was delayed.

12.2 To the extent permitted by law, we exclude all conditions, warranties and guarantees provided or implied by any State, Territory or Commonwealth law, including but not limited to the statutory consumer guarantees described in the

Competition and Consumer Act 2010 (Cth) and the provisions of any State or Territory legislation.

12.3 Subject to any extended warranty (refer to condition 14) we provide to you, if we are permitted by law to limit our liability for any Non-Excludable Condition, then our total liability for a breach of such Non-Excludable Condition is limited to the remedies available under Section 64A of the Australian Consumer Law.

12.4 So as to provide you with the most cost effective service, we do not assume liability for delay, loss or damage to a shipment as part of our normal shipment services. Accordingly, except to the extent otherwise stated in these terms and conditions (including in conditions 12.1, 12.3, 12.6, 14, 15 and 18.1), we bear no liability for any loss you suffer:

- a) arising from the carriage, including but not limited to any failure by us to perform any services in connection with the carriage or other services, any mis-delivery, failure to deliver or delay in performing such services or other services;
- b) arising from any loss, damage or destruction to a shipment or any part thereof; or
- c) arising from your use of Our Goods, including but not limited to where such goods are defective; for any reason whatsoever including our breach of contract, negligence, breach of duty as bailee, or willful act or default. Despite this, if we lose or damage your shipment due to our negligence and, subject to you having complied with condition 11(d), you make a claim in accordance with condition 18 we will, at your election, provide you with a refund or credit note equal to our charges for that particular shipment or part of the shipment which was lost or damaged. If you wish to protect against loss or damage to a shipment you should consider obtaining your own insurance coverage or obtain extended warranty protection in accordance with condition 14.

12.5 Subject to any other condition in these terms and conditions which limits liability, our maximum liability for all purposes in connection with the carriage of a shipment and the provisions of other services and/or Our Goods is limited to the total amount of payments received by us from you during a one (1) month period before a claim arises (less any amounts paid by us under this condition in respect of all or part of that period).

12.6 Conditions 12.4 and 12.5 do not apply to our liability for death or personal injury, or for loss or damage to tangible property other than the shipment itself, to the extent caused by our negligence for which our liability is limited to the amount recoverable under our insurance.

13. EXCLUSIONS

13.1 We will not be liable for any loss of income, loss of profits, loss of markets, loss of reputation, loss of customers, loss of use, loss of an opportunity, loss of deterioration, loss of business, loss of reputation or goodwill, loss of value or use of intellectual property or other proprietary rights even if we had knowledge that such damages or loss might arise or for any other indirect, incidental, special or consequential damages or loss howsoever arising including without limitation our breach of contract, negligence, willful act or omission or default.

13.2 We are not liable if we do not fulfil any obligations towards you at all as a result of:

- a) circumstances beyond our control such as (but not limited to):
 - acts of god including earthquakes, cyclones, storms, flooding, fire, disease, fog, snow or frost;
 - force majeure including (but not limited to) war, accidents, acts of public enemies, strikes, embargoes, perils of the air, local disputes or civil commotions;
 - national or local disruptions in air or ground transportation networks and mechanical problems to modes of transport or machinery;
 - latent defects or inherent vice in the contents of the shipment;
 - criminal acts of third parties such as theft and arson.
- b) your acts or omissions or those of third parties such as
 - you being in breach of (or any other party claiming an interest in the shipment causing you to breach) your obligations under these terms and conditions and in particular those warranties set out in condition 11;
 - an act or omission of any customs, security, airline, airport or government official;
- c) the contents of the shipment consisting of any article that is a prohibited item or a prohibited article even though we may have accepted the shipment by mistake.
- d) our refusal to make any illegal payments on your behalf.

13.3 We are not a common carrier and do not accept any liabilities of a common carrier. We may refuse to handle, carry or store a shipment for any reason (in our absolute discretion). Without limiting anything in this condition **13.3**, we reserve the right to reject any shipment which does not conform to our required shipment profile. Details of our required shipment profile can be obtained from our nearest TNT office or at www.tnt.com.au.

14. EXTENDED WARRANTY

14.1 We offer certain extended warranty products in relation to the provision of our services of carriage as set out in our extended warranty brochure, which is available at www.tnt.com.au, as amended from time to time.

14.2 To understand how to elect an extended warranty and your rights and obligations in relation to an extended warranty, you need to read our extended warranty brochure.

15. EXPRESS SERVICES

If you select one of our 9:00 Express, 10:00 Express or 12:00 Express services (each being an 'Express Service'), we will endeavour to deliver your shipment by the relevant time. If we fail to deliver by the relevant time and our failure was not caused by any events set out in condition 13.2 and you notify us of your claim in compliance with condition 18, we will only charge you for the actual service we provided rather than charging the price for the relevant Express Service you asked for. For example, if you choose our 9:00 Express Service, and we complete delivery by 10am, we will only charge you for the 10:00 Express Service. Please note that the maximum available downgrade in service will, if applicable, be to our Road Express service.

16. EXPORT CONTROLS

16.1 You assume responsibility for and guarantee compliance with all applicable export controls laws, including but not limited to regulations and rules that prohibit unauthorised trade in military and other strategic goods and services with, as well as financial or commercial dealings with named individuals and entities in countries to, from, through or over which your

shipment may be carried, or regulations and rules that impose conditions under which certain technologies, information, and commodities can be transported to, from, through or over any country which your shipment may be carried.

16.2 You also guarantee that you will not tender any shipment to us if you or any of the parties interested in or otherwise involved in the shipment are listed on any of the United Nations sanctions programmes, regional and national programmes implementing and/or supplementing those, as well as parties listed on autonomous measures regulations.

16.3 You agree to identify shipments subject to pre-export regulatory controls, and provide us with information and all necessary documentation to comply with applicable regulations.

16.4 You are responsible at your expense for determining export and import licensing or permitting requirements for a shipment, obtaining any required licenses and permits, and ensuring that the consignee is authorised to receive or otherwise deal with by the laws of the origin, destination countries and any country(s) asserting jurisdiction over the goods.

16.5 Notwithstanding anything contained in these terms and conditions, we will not be liable for your acts of non-compliance with export control laws, sanctions, restrictive measures or embargoes.

17. CLAIMS BROUGHT BY THIRD PARTIES

You undertake to us that you shall not permit any other person who has an interest in the shipment to bring a claim or action against us even though we may have been negligent or in default and if a claim or action is made you will indemnify us against all loss, damages and other consequences of the claim or action and the costs and expenses we incur in defending it.

18. CLAIMS PROCEDURE

18.1 Nothing in these terms and conditions excludes or modifies any right or remedy, or any guarantee or condition, implied or imposed by any legislation which cannot lawfully be excluded or limited. This may include Non-Excludable Conditions which protect the purchasers of services in certain circumstances.

18.2 Subject to Condition 18.1 your right to claim damages against us shall be extinguished unless you comply with the claims procedure under this condition 18.

18.3 If you believe we are liable to you, you must:

- a) immediately contact us; and
- b) send written notice of your claim (Claim Notice) to us within 14 days of the date that the cause of action giving rise to the claim arose (Notice Period).

18.4 You will remain liable to pay all amounts we charge you in respect of the carriage of the shipment and other services, notwithstanding any Claim Notice.

18.5 Subject to Condition 18.1, if we do not receive a Claim Notice from you within the Notice Period, we will have no liability to you in respect of such claim.

18.6 Subject to Condition 18.1, even if you serve a Claim Notice on us within the Notice Period, we will have no liability to you in respect of such claim unless you commence legal proceedings against us within 6 months of delivery of the shipment or where the shipment is undelivered, the date for delivery of the shipment requested by you in the applicable consignment note.

19. RATES AND PAYMENT

19.1 You waive all your rights to challenge our invoices if you do not contest our invoice in writing within 14 days from the date of the invoice. Even if you contest our invoice within the 14 day period, we will have no liability to you in respect of such claim unless you commence legal proceedings against us within 6 months of delivery of the shipment or where the shipment is undelivered, the date for delivery of the shipment requested by you in the applicable consignment note.

19.2 Our charges (including applicable surcharges) are calculated in accordance with the rates applicable to your shipment as set out in or otherwise referred to on our then current rate card or in the relevant contract and must be paid in the currency stated in the invoice or otherwise in a local currency against exchange rates provided by us. We may check the weight and/or cubic volume of and/or the number of items within your shipment for the purpose of Condition 19.4.

19.3 Our current rate card is available on request from any of our offices in the country from which the shipment is invoiced.

19.4 We charge for the greater of:

- (a) weight or cubic volume of the shipment as declared by you;
- (b) weight or cubic volume of the shipment as checked by us; or
- (c) average cubic volume of the shipment.

For the purposes of calculating weight or cubic volume we round up to the next whole kilogram. The cubic volume is calculated in accordance with the volumetric conversion equation set out in our rate card and/or on our website at www.tnt.com.au. The average cubic volume may be applied by us where you have not declared the cubic volume of the shipment.

19.5 Our charges are calculated using the rate card applicable at the time we collect the shipment from you, or from the address nominated by you.

19.6 You must pay the charges relating to the carriage of the shipment or the performance of any other services (including those in relation to the extended warranty – see condition 14) unless the sender (where you are not also the sender) or the receiver pays them. If another person is nominated as paying the charges, you promise that person will pay.

19.7 We require payment of our charges within 14 days from date of invoice without withholding, deduction, counter claim or set-off.

19.8 The charges we will charge you will include:

- a) any additional reasonable costs we incur as a result of any incorrect declaration by you of the weight, cubic volume, description or packaging of the shipment; and
- b) any customs duty, storage charges or other third party charges or expenses we incur in relation to the shipment.

19.9 We will notify you of changes to our fuel surcharge and the date for the implementation of such changes on our website at www.tnt.com.au.

19.10 Unless stated to the contrary, our charges in connection with the carriage of a shipment or the provision of other services are exclusive of any Goods and Service Tax. If such tax is applicable to you, you must pay the tax in addition to and at the same time as you are required to pay our charges in accordance with this condition 19.

19.11 If you fail to pay an overdue invoice within 7 days after being requested to do so by us, we may charge you interest on any overdue amount from the due date until the date of payment in full. The amount of interest will be calculated daily at the prime commercial lending rate charged by the Commonwealth Bank of Australia on the due date plus three percent (3%).

19.12 We have a general and a particular lien on all your shipments in our possession at any one time. If you fail to pay us any amounts you owe us within 7 days after being notified of our intent to exercise our right of lien, we may sell the contents of any of your shipments in our possession up to the value of the amount owed and retain the proceeds of sale in settlement of any amounts that you may owe us.

19.13 The door to door delivery rates shown on our current rate card include provision for simple customs clearance formalities and we reserve the right to charge a reasonable additional administration fee where time-consuming excessive customs clearance work is needed to enable us to deliver your shipment to the receiver. Additional charges may therefore be applied in some countries for complex customs clearance activities and these include but are not limited to shipments that require:

- a) formal customs entries involving more than three different commodities;
- b) customs bonds or the need to deliver goods under a customs bond;
- c) temporary import facilities;
- d) clearances involving a government department other than the customs authority.

We may in some countries make advance payments of import duty, taxes, penalties or have to post bond on behalf of the importer and where this additional service is provided a reasonable local administration fee will be charged to the receiver and you will be liable for this charge if the receiver does not pay us.

19.14 Where permitted by law, our standard invoice presentation method is electronic invoicing. Where you request or we are required, to use paper invoicing we reserve the right to charge you an administration fee for providing this service.

20. LAW AND JURISDICTION

20.1 In the event that any term or condition is declared invalid or unenforceable such a determination shall not affect the other provisions of these terms and conditions all of which remain in force.

20.2 Save as provided by any compulsory application of a convention, disputes arising from or related to these terms and conditions shall be subject to and governed by the laws of New South Wales. Each party irrevocably submits to the non-exclusive jurisdiction of the Courts of New South Wales.

21. PRIVACY

We will collect, use and disclose your personal information in accordance with the terms of our Privacy Policy, which is available at www.tnt.com.au as amended from time to time.

22. WAIVER AND VARIATION

22.1 We may only waive a right or remedy created by these terms and conditions in writing. Our delay in exercising a right or remedy does not constitute a waiver of that right or remedy, nor does our waiver (either wholly or in part) operate as a subsequent waiver of the same or any other right.

22.2 We reserve the right to amend these terms and conditions and the policies referred to in these terms and conditions from time to time by providing at least 14 days notice of any amendments on our website.

23. ENTIRE AGREEMENT

23.2 Subject to condition 23.1, these terms and conditions and all our policies which are incorporated into them constitute the entire agreement of the parties about its subject matter and any other agreements, understandings and negotiations on that subject matter (whether oral or in writing) will, unless specifically agreed to by us in writing, have no effect.

24. PALLET CONTROL

24.1 Unless otherwise agreed by us in writing you must comply with our Pallet Policy which may be found on our website located at www.tnt.com.au or a copy will be provided upon request.

25. VARIATION OF THESE CONDITIONS

We reserve the right to amend these terms and conditions at any time without notice to you.

26. RATE VARIATION

26.1 Subject to condition 26.2, we may from time to time vary, remove or add any rates, fees, charges or other amounts in connection with the services of carriage and/or other services which we offer, by giving you at least 14 days prior written notice via our website or via such other method of written notice as we reasonably determine.

26.2 Where we need to review and vary the fuel surcharge in accordance with condition 19.9 or to reflect a change in law or regulations, we may not be able to provide you with prior notice.

26.3 Notwithstanding anything contained in these terms and conditions, we reserve the right to review and, if determined by us, adjust your rates and charges if you fail to trade with us during any consecutive thirteen (13) week period.

27. TERMINATION AND SUSPENSION

27.1 Either party may, without limiting any other rights a party may have in these terms and conditions or otherwise, terminate these terms and conditions for convenience at any time by giving the other party 14 days written notice.

27.2 Notwithstanding termination under this condition 27.1, these terms and conditions will continue to apply to shipments which have already been collected prior to the date of termination.

27.3 You may, after termination of these terms and conditions, request us to provide you with services of carriage and/or other. If we agree to provide you with such services, then our then-current terms and conditions will apply between us despite the termination of these terms and conditions.

27.4 Either party may terminate these terms and conditions with immediate effect by notice to the other party if the other party materially breaches these terms and conditions (which includes any failure to pay amounts when due, or your breach of condition 11), and fails to remedy such breach within 7 days after receiving notice of the breach. We may choose to suspend the provision of carriage and other services in lieu of such termination, for so long as such material breach persists (however we may still exercise our right of termination during the period of suspension).
